

Anzac Day Dawn Service Raising money for Mates4Mates

Partnering with Mates4Mates, we are offering an exclusive Anzac Day Dawn Service at the top of the Sydney Harbour Bridge on 25 April. This event will honour and remember our fallen servicemen and women with all profits from the Climb donated to Mates4Mates. (<http://mates4mates.org/>)

Anzac Day Dawn Service

Under a blanket of darkness whilst the city is still asleep, Climbers will ascend the great arches of the iconic Sydney Harbour Bridge to take their place at the summit for the Dawn Service.

The Dawn Service will be conducted by Mates4Mates and BridgeClimb and it will give participants the opportunity to remember and reflect on this important day in Australia's history, including experiencing a rendition of *The Last Post* performed by a bugler from Blinky Bill.

All profits from the experience will be donated to Mates4Mates, whose important work supports our current and returned service men and women.

About Mates4Mates:

Mates4Mates support current and ex-serving Australian Defence Force members (and their families) who are wounded, injured or ill as a result of their service.
